Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

Applicants provide the following comments regarding the documents:

Documents AA1, AL1 and AN1 were cited in an International Preliminary Examination Report in related PCT Application No. PCT/US00/00009, filed January 10, 2000, entitled "System for Managing Router Servers and Services," directed to related subject matter. A copy of the IPER is enclosed for the convenience of the Examiner.

Documents AD1 and AR1 were cited in an International Preliminary Examination Report in related PCT Application No. PCT/US00/02330, filed February 1, 2000, entitled "Method, System and Computer Program Product For Managing Jitter," directed to related subject matter. A copy of the IPER is enclosed for the convenience of the Examiner.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith.
